

The Challenge

A promotional banner for the Crowdsourced Data Sharing Challenge. The background is dark green with a large, faint, light-colored icon of a cloud with an upward-pointing arrow. The text is centered and reads: "CROWDSOURCED DATA SHARING CHALLENGE" in large white capital letters, followed by "Offered by Open Data Hub" in smaller white text. At the bottom, there are two buttons: a black button with "Read more" in white, and a light gray button with "Show criteria" in bold black text and "Now available" in smaller italicized black text below it.
